

COMMERCE CLUB

Introduction:

Commerce club is a great way to spark a student's interest in learning and other academic activities. An association like a commerce club can give students an environment to learn and interact with others having similar interests. Commerce club was first constituted on 8th of December 2021. We started the commerce club to help our young hands to learn and earn.

Vision :

To provide a platform for 360 degree personality development of the students and a chance to exhibit their talents in various commerce oriented events and liberal arts .It helps grasp teamwork, leadership, critical thinking, creative learning, event management skill and to build self confidence.

Mission :

To boost the confidence of the learner, commerce professional skill, spiritual emotional balance for overall development in the outlook of its members.

Objective:

- To enable students to develop "of the skills" expected from commerce graduates.
- To develop leadership, entrepreneurial and organizing skills among the students.
- To channel the vision and mission of the students towards lucrative career opportunities.
- To develop team spirit among students.

Activities of commerce club :

- Fresher's and farewell function
- Group discussion and debate
- Commerce model exhibition
- Interview practice
- Career guidance
- Educational tours
- Different types of competition

Primary objective of the visit:-

- 1) To provide students insight into commercial and economical aspects of MAA MAHAMAYA COOPERATIVE SUGAR FACTORY Sugar factory.
- 2) To provide students a technical exposure about manufacturing process and technology.
- 3) To get an excellent opportunity to meet industry officials, professionals, technicians who share their wisdom, learning and work experience
- 4) To bridge the gap between classroom theoretical knowledge and practical learning in a real-life environment.

Details of the session :-

- 1) The students of m.com 2nd and 4th semester were accompanied by the principal and 5 faculty members. The journey started from our college at 8:30A.M. on 18th of March 2023 and reached the factory by 10:30 A.M.
- 2) MAA MAHAMAYA COOPERATIVE SUGAR FACTORY is situated in Kerta, Surajpur. It is one of the four sugar factories set up in Chattisgarh. It was in 2007 and production started in 2010. It is the second sugar factory setup in Chhattisgarh.
- 3) Maa Mahamaya Sahakari Shakkar Karkhana Maryadit Ambikapur is situated at Village - Kerta, Tahsil - Pratappur, Dist.: Surajpur (Chhattisgarh).
- 4) The Company embraces certain core values in order to function ethically, effectively and The Society was not engaged in just to manufacture the sugarcane allied products and to earn profit concern for the benefit of cane cultivators, but a nucleus of all-round development of the rural area of operation through its co-operative organization & to help for increasing economic growth of rural population, leading towards Integrated Rural Livestock Development of India, in real sense.
- 5) The students along with staff are divided into small groups for easy access to the students to get clear with their concepts.
- 6) The visit was carried out for the period of 6 hours starting from 10:30 to 4:30. It was a very informative session and students showed their active interest in all of their observations.
- 7) First they were shown the crane yard where the sugarcanes are weighted and crushed for the mill house where the crushed sugarcanes are used to extract the sugarcane juice later the juice is send to the boiler section to boil the

- juice and then to the clarification section to clarify the boiled juice, after this process the clarified juice is transferred to pan section for drying the sugar.
- 8) The sugar is then packed and then send to the warehouse for storage. The factory is operated only for 6 months from October - November to April. Factory runs 24 hrs and is divided between 8 hrs shifts of staff members. The produced store in the warehouse is supplied to PDS . The central government allot the quantity to be supplied to the PDS. The surplus quantity not taken by the PDS is sold by issuing tenders.
 - 9) The officials and technicians have explained to students each and every process with great patience and helped the students to understand and solve their queries.
 - 10) On behalf of the commerce department, Govt. Ramanuj Pratap Singhdeo P.G. College, Baikunthpur, we wish to thank the Chairman of Maa Mahamaya sahakari shakkar karkhana Shri Vidya Sagar Singh ji , Shri. Mati Minj GeneralManager(Admin) and Shri. N.P. Barman ji General manager (Finance) for granting special permission for this visit during the factory.Operational period. Special thanks goes to all the Engineers and staff members who coordinated and made all necessary arrangements from the company side. Finally, our gratitude to all the members who participated to make this event a success.

COMMERCE LAB

Introduction:

The commerce department is determined to become outstanding in offering commerce education with practical knowledge to inculcate the fundamentals of business and commerce. In order to meet the challenging needs of the Corporate Environment, it is not just sufficient for students to be theoretically sound. They must also be exposed to the external world in a dynamic way to face practical situations. The commerce lab is a new concept that is started with the aim of practicing what students learn in the classroom. With the help of our creative hands (students and faculties) the commerce lab was created and then finally inaugurated on 31st August 2022 to provide much needed practical exposure to students in the field of trade, business and commerce complimenting academics.

Aim :

Commerce lab aims at stressing the importance of practical application of knowledge gained through theory. It helps students and faculties keep abreast of the latest developments in the business world.

Sectors covered :

Banking, insurance, e-marketing, taxation, stock exchange, corporate affairs, foreign trade, communication etc.

Activities :

- Practical orientation
- Charts and models
- Workshop
- Seminar
- Practical knowledge through ICT
- Field visit
- Group discussion
- Business quiz
- Posters
- Inviting students of other institutions to visit the lab for exposure
